During any **Event**, the **Entities** may film and photograph me, and record my voice and image, including any performance of any musical work(s), dramatic work(s), dance or any other presentation or show or delivery of any of such in connection with my appearance and will be the exclusive owner of the resulting material that they record (herein known as the **Material**).
3. I acknowledge that the **Entities** will be the exclusive owner of the **Material**, and that the **Entities** may edit the **Material** and use the **Material** in original or edited form as long as that usage is truthful and transparent, both in representation and in context, and potentially made available free of charge and without royalties throughout the world in all media, an unlimited number of times in perpetuity, and I will make no claim arising out of any use of the **Material** aside from obtaining a copy of the original or edited **Material**.
